Venture Logistics, Inc Purchases Oliver Trucking

Indianapolis (September 1, 2006)-- M. Douglas Williams, President of Venture Logistics, Inc today announced that it has purchased Oliver Trucking of Indianapolis , Indiana.

"Oliver Trucking is a long time, highly thought of carrier that has had a great name in the transportation business for many years, said Doug Williams". "It has always been a leader in providing the utmost of customer service and while being cost competitive". "This acquisition will assist both Venture and Oliver in its goal of extending quality services to our existing customer base".

The acquisition will now give Oliver and Venture terminal locations in New Jersey , South Carolina , California , Texas and multiple locations in Indiana . Venture and Oliver will continue in the fields of logistics, dedicated contract carriage, truckload, LTL consol and value-added services.
